CANCERS FIVE HEARINGS.

Funds Lacking Because Appropriation Bill Pending.

Guthrie, Ok.—Because of the Legislature's failure to appropriate the appropriation bill today through which it could get funds, the State Corporation Commission has canceled five out-of-town hearings it had scheduled for next week.

The House adopted part of the conference committee's report on the appropriation bill yesterday and, as the measure originated in the House the Senate is waiting for it to complete its action. Owing to the clerical work necessary after the bill is passed finally, it is doubtful now that it will become a law before April 15.

The Corporation Commission had two hearings fixed for Bartlesville for a restoration of train service and depot hearings at Tulsa, Chickasha and Hobart. Commissioner Watson explains that the commission, as well as other State departments, has been without funds since the day of statehood. He says the Commissioners have borrowed about \$2,000 upon which to transact the business away from the office. The commission expects to go to Texas early in the month to agree upon a method for lowering the interstate rate.

Mr. Watson said they will be compelled to borrow more money. It is understood that the oil business will continue and hearings scheduled for Guthrie will not be abandoned.

The House passed finally the bill by Mr. Durant appropriating \$21,900 to pay mileage and per diem of members of the Constitutional convention incurred after the Federal appropriation had been used. Mr. Holdy was unsuccessful in displacing the emergency section with a provision referring the bill to the people for ratification at the general election this fall.

Emergency Clause Decided.

The Emergency clause was defeated, however, and a provision was added to pay on the individual claims 10 per cent interest from Nov. 16, 1897. As the bill stands the people may order a vote upon the appropriations through the initiative and referendum.

Defining the emergency clause and the increase in the number of regiments the National Guard bill, over which the House had labored for several days, was defeated upon final passage. The measure was short only one vote and motion was given by friends of the measure for a reconsideration.

The bill by Senator Williams creating a board of opiumists was indefinitely postponed by the House.

Mr. Duran's bill authorizing transfer of certain seals and records of Oklahoma Territory to the State Historical Society and the bill by Mr. Baldwin establishing Bennington as court town in Bryan County were passed to a third reading.

The House passed finally the bill by Senator Eggerson authorizing the Federal government to purchase sites for court houses, custom houses etc., also the concurrent resolution by Mr. Jones memorializing Congress to amend the enabling act so as to permit the people to vote on the permanent location of the capital prior to 1912.

The Senate passed finally the bill by Senator Stewart of Antlers creating an additional hospital for the insane to be located as are other State institutions. It is provided there shall be separate buildings for white and negro patients. There was some discussion in favor of locating the institution either at Hugo or Tuscarawas, both places being in the southeastern part of the state.

One May Net Held Two Offices.

Guthrie, Ok.—The Attorney General's Department today rendered an opinion that one person could not hold two elective offices. It was given in response to a letter asking if a person could be Justice of the Peace and City Assessor.

The department has also held that Justice of the peace elected for a town has concurrent jurisdiction under the Oklahoma law, throughout the county.

Mrs. Ed Sloan and daughter have been visiting Mrs. C. V. Carselower.

T. C. Rogers & Son went to Vinita Friday after a load of goods for their store.

Bud Carselower has returned from Vinita where he has been as a juror in Judge Brown's court.

The Joplin Co. writes they will arrive on the 16th or 17th of this month to begin operation on their leases.

Ben Cooper is working with Tom Quisenberry in the blacksmith shop, and is turning out some up to date work.

C. P. Minson, superintendent of the Craig County Mining Co., has gone to South McAlester and other points to go some ten days.

Nat Dickerson has got him a new coat and has his overalls patched and is looking around for another coat, while Babe is away nursing the sick.

Grass beef is now suited for a roasting reception, whenever it is ready for market and indications are that it will be early. In Oklahoma and Kansas the spring rise is already in evidence and Texas has had more timely rains.

Corn fed beef is rapidly becoming exhausted and the grass article must take its place. Early arrivals from Texas and Oklahoma will fetch good prices and if the northwest has some hand fed stuff that wintered well it will acquire a jag of intense popularity when it reaches Chicago. Old time range men in the northwest assert that the signs point to early grass and early curing and as cattle are in excellent condition now, the movement toward Chicago and Omaha ought to

QUART PROPOSED AS LIMIT.

Guthrie, Ok.—To reduce the daily allowance of liquor one may procure from the state dispensaries for medicinal purposes in the purpose of a bill offered in the house by Mr. Banks of Jackson county. It provides that one quart of any kind shall be the limit.

The Billing law, which is sought to be amended, permits as a daily maximum on physician's prescription one-half gallon of whisky, one gallon of wine and three gallons of beer.

M. K. Farrell Memorial.

Rshawne, Ok.—There has just been placed with appropriate ceremonies by the city officials of Rshawne a memorial tablet just under the eaves of the city hall to the memory of the late Chief of Police, Marion K. Farrell, who was killed in the discharge of his duty on Oct. 17, 1907, by J. C. Harber, who is now serving a life sentence in the penitentiary. The tablet bears the inscription:

"To the memory of Chief of Police Marion K. Farrell, killed Oct. 17, 1907, while in the discharge of his duty."

The tablet was ordered placed under the cornerstone of the city hall by the city council.
